

RECEIVED IN PRO SE OFFICE

AUG 04 2023

Clerk of Court

I have filed several civil complaints in this district over the last month or so, but have not received any notification that the complaints were successfully filed their docket numbers, presiding judges, or any other information. I ask the clerk to send ~~my~~ me the dockets of all my pending cases in this district, including *Mr. alyx Schulte v. Warden, MDC, 22-CV-766-Elk, Schulte v. United States, 22-CV-5841-Elk, etc, etc.* There should be several.

Finally, I have sent at least 5 letters to the Clerk's office requesting my sealed Rule 41(g) motion from 22-CV-5841, Dkt 11. I am an incarcerated inmate granted IFP status with no ability to otherwise obtain this document; this is my sixth and final request for the document — if I do not receive it, I will have no choice but to file a civil suit against the clerk's office just to obtain my ~~own~~ <sup>own</sup> filed motion (that I could not have make any copies of). Please comply.

Plaintiff in my civil suits: Josh Schulte / Joshua Schulte

Thanks, Josh Schulte
